

Serializable

```
classDiagram
    class Serializable
    class Template["com.sterlite.cal.ivr.valueobject.Template"]
    Template --|> Serializable
```

The diagram illustrates a class hierarchy. At the top is a white box representing the 'Serializable' interface, which is divided into three horizontal sections. Below it is a gray box representing the 'com.sterlite.cal.ivr.valueobject.Template' class, also divided into three horizontal sections. A blue arrow with a hollow triangular head points from the top of the gray box to the bottom of the white box, indicating that the 'Template' class implements the 'Serializable' interface.

com.sterlite.cal.ivr.valueobject.
