

Serializable

```
classDiagram
    class Serializable
    class RemainingOctatesVO["com.sterlite.cal.ivr.valueobject.RemainingOctatesVO"]
    RemainingOctatesVO --|> Serializable
```

The diagram shows a class hierarchy. At the top is a box labeled 'Serializable' with two empty compartments below it. Below this is a larger box for 'com.sterlite.cal.ivr.valueobject.RemainingOctatesVO' with a header section and a body containing three methods. A blue arrow with an open triangle head points from the bottom of the 'RemainingOctatesVO' box up to the bottom of the 'Serializable' box, indicating that 'RemainingOctatesVO' inherits from 'Serializable'.

com.sterlite.cal.ivr.valueobject.
RemainingOctatesVO
